

PACES

Philippine-Austrian Cultural & Educational Society

Science for Progress

PACES is an association of like-minded members of the Filipino-Austrian community who recognize the importance of Science, Technology, Engineering and Mathematics (STEM) in a country's development,

Cathrine Madlangbayan

3rd Year Civil Engineering, Batangas State University

Cathrine is determined to pursue the course she wants and to find a scholarship to fund her studies. She has high goals — completing college; topping the board exam; and getting a second degree in Geodetic Engineering. She has no plans to work abroad because she wants to stay close to family.

Dean's List

Passed DOST Scholarship Exam

President of Arts Committee in college

Jhun Michael Aballa

4th Year Computer Engineering, Jose Rizal College

Jhun Michael's dream is to work after graduation so that his father can retire and come home from the Middle East. He plans to contribute to the development of the country and make a positive impact on the lives of Filipinos.

Consistent Honor Student

2nd Place in Engineering Wizard

Active in Student Council

Koleen Lapay Bacud

3rd Year Civil Engineering, Cagayan State University

Koleen is persistent in pursuing her targets. Her reference letters cite her resourcesfulness and friendly personality, among others. She was inspired to study civil engineering because thier house was blown down by a typhoon.

Consistent Honor Student

Leadership role in student activities

Dean's List in college.

Kenneth Dave Borja
